

HOW TO TALK ABOUT ANYTHING

1. **Find a good tone** & get informed consent
2. **Pick a claim** & clarify
3. **Ask for confidence** & calibrate on a scale
4. **Identify main reason**
5. **Explore & assess** epistemology & reliability
6. **End with a question**, on a high note!
7. But first, prepare
8. Then, share & improve
